I am checking with Pete on the insurance piece but I believe it has a cost of 500.00 for the insurance addition. I assume there is no issue with that being billed?

Hotels- Guardian is set at the government rate at the same Holiday Inn as before, as I understand it right now. I don't think anywhere else is giving us a government rate.

Thanks. I sent him John a message with the three dates for radon installation. I will let you know.

Have you received any information for the insurance liability situation for Guardian? That needs to be taken care of before we mobilize.

Hotels

I made these reservations at the Holiday Inn-Buffalo Ave a month ago. The rates are even higher now. I have three other hotel comparisons.

I am able to get gov rate for the weekdays where I am at but there are none that offer government rate Friday through Sunday. I contacted this

representative

From BookMyGroup that may be able to help me out with the whole team. Meaning, he may be able to get us government rate for the group. But for now, this is what I have

for the current TA. Were you looking into something similar? How many hotels do you have for this trip? 6?

I talked with Larry at SWAT, the system and install is \$2100.00

As far as install dates:

It will take approximately 4 hrs. to do the work. He can do Tuesdays thru Thursdays in mid June. Arrival in mornings between 7:00 am and 10:00. Please let us know what the property owner can do for a couple of dates so we can get it on the schedule.

Thanks
